Privacy Notice
The personal information you provide to Health Canada will be used by the Regulatory Operations and Enforcement Branch under the *Food and Drug Act* and the *Medical Devices Regulations* and handled in accordance with the *Privacy Act*.

Why are we collecting your personal information? We require your personal information, including your name, title and manufacturer information to process your request for a Manufacturer's Certificate to Export Licensed Medical Devices from Canada.

Will we use or share your personal information for any other reason? We may also share your personal information with Global Affairs Canada to authenticate the certificate.

What happens if you don't want to provide your personal information? Failure to provide the requested information may prevent the processing your request for a Manufacturer's Certificate to Export Licensed Medical Devices from Canada.

What are your rights? You have the right to access and request a correction and/or notation to your personal information. You also have a right to complain to the Privacy Commissioner of Canada if you feel your personal information has been handled improperly. For more information about these rights, or about how we handle your personal information, please contact mce.questions-cfe@hc-sc.gc.ca.
